## Our students learn Turkish;

- In a friendly atmosphere and small-sized classes,
- Along with experienced, professional and enthusiastic teaching staff who is also highly aware of the importance of social and cultural activities in teaching a language,
- With a student-centered interactive teaching method focusing on all the skills with an emphasis on communication,
- Using real life situations and daily conversations with an implementation of cultural awareness,
- With cultural activities, orientation tours and trips.

## Visa and Residency;

A student visa is not a requirement for short term students but those who will stay in Turkey for more than two months need to apply for a student visa before they complete their travel plans to Turkey.

TAA Language Programs are approved by the Turkish Ministry of National Education. Enrollment in the TAA Language School for the Turkish programs enables you to get a one-year student visa and residency permit in Turkey..
